

# All-Greater Rochester indoor track and field teams 2017-2018

February 14, 2018

Hello, indoor track and field coaches!

The *Democrat and Chronicle* is pleased to announce that we will again be presenting the All-Greater Rochester high school all-star indoor track and field teams for the winter season, online and in one special section, as we do for the fall and spring seasons.

It's coming soon. The team will be posted online at [www.DemocratandChronicle.com](http://www.DemocratandChronicle.com) April 12 with the special print publication on April 15, so we again need your prompt help.

The indoor track teams will consist of 20 boys and 20 girls, with one designated as athlete of the year, from throughout Section V and our circulation area. We also select a boys and girls coach of the year.

If you have one or more athletes who you feel is worthy of consideration for FIRST TEAM, please make your case for him/her and reply by e-mail to [agr@democratandchronicle.com](mailto:agr@democratandchronicle.com), [jamesj@democratandchronicle.com](mailto:jamesj@democratandchronicle.com) and [jcastor@jimcastor.com](mailto:jcastor@jimcastor.com) no later than Monday, March 5, right after states at Ocean Breeze.

It would be especially helpful if you could list, 1 through 20, those athletes you would select if you were picking the team. Remember, it includes athletes from all classes.

This is our only request for your input. We will assume that if we don't hear from you, there is no one who you feel should be considered, from any team in your league or elsewhere. Your responses go a long way toward sustaining the interest in AGR, and its future.

Our staff will review your e-mails and meet results, then contact some coaches and coordinators for further advice before making final selections. We will notify those selected by calling their coach to tell them in person, and to inform them they will be assigned a photo/video night (on either March 26 or 27) at the *Democrat and Chronicle* offices on Main Street in downtown Rochester.

Thank you in advance for your help. We appreciate it!
