

### Information for the Week

1. It is going to be cold this weekend. With the security set-up at RIT, they will be ready to handle schools arriving from 4:00 on. In addition, have your athletes wait on the bus until security releases you to get in the line. That will shorten the wait for your athletes outside.
2. Last week, there were several phones stolen. I am happy to report, we have two returned, and are working on the other two. Please remind your athletes not to bring valuables to the meet, and that each team member should look for unusual activity around their team's belongings.
3. Over the last couple of weeks, we have had several "host" schools not doing their jobs, which create an unfair situation for those teams who are doing their duties. If you are assigned, please do a job or two at the meet. Thank you to those schools who are not assigned who have stepped up and helped out.
4. Next week is the Section V vs. Section VI meet at Houghton. Last year, our Section V Boys won the meet. Our girls ran out of bodies. Section VI has some outstanding individuals which should push some of our athletes. Please consider going down so we can defeat our friends to the West.
