

All-Greater Rochester outdoor track and field team 2013

June 1, 2013

Hello again coaches!

On behalf of the *Democrat and Chronicle* Media Group, I'm pleased to announce that we'll be presenting the All-Greater Rochester high school all-star teams for the spring season in one special section again, as we did for the fall and winter seasons.

It's coming soon. Publication is tentatively scheduled for Friday, July 12, in print and on-line at www.DemocratandChronicle.com, so we need your help.

The outdoor track teams will again consist of 20 boys and 20 girls, with one designated as outdoor track and field athlete of the year, from throughout Section V and our circulation area. We'll also select a coach of the year.

If you have one or more athletes who you feel is worthy of consideration for FIRST TEAM, please make your case for him/her and reply by e-mail to AGR@DemocratandChronicle.com no later than 5 p.m. June 10, the Monday after states at Middletown. As in the past, performances at sectionals, state qualifiers, states, and post-season regional or national meets will be used as primary criteria. Traditionally, we try to include all state individual champions, as well as at least one representative from winning teams at sectionals.

In addition, it would be helpful if you could list, 1 through 20, those athletes you would select if you were picking the team. Remember, it's athletes from all four classes.

This is our only request for your input. We will assume that if we don't hear from you, there is no one who you feel should be considered. Your responses go a long way toward sustaining the interest in AGR, and its future.

Our staff will review your e-mails and meet results, then contact some coaches and coordinators for further advice before making final selections. We will notify those selected by calling their coach to tell them in person, and will also provide the date for studio photographs to be taken at the *Democrat and Chronicle* in downtown Rochester.

Thank you in advance for your help. We appreciate it!

Steve Bradley
