SEEDING:
(1) **Seeding packets** will be e-mailed on **Wednesday, April 22nd**. They will

also be available at our website: [Hornell Invitational](http://www.hornellcityschools.com/track/invite/invite.html)

(<http://www.hornellcityschools.com/track/invite/invite.html>)

Entry forms must be **returned by e-mail** up to 11:00 PM on **Tuesday, April 28th** to scott.carroll@hornellcsd.org.

- (2) **Scratches will be allowed, but no additions. Also, there will be no re-seeding if athletes are scratched!**

(3) **Notice regarding the shot put, discus, steeplechase, and 3200/3000 meter runs.** Submit up to maximum allowed based on meet enrollment. However, because of time and facility limitations, the following will occur to facilitate meet management:

(A) **Shot put and discus:** The level of competition will determine the field, with a minimum of **32** (4 flights of 8) and a maximum of **40** (4 flights of 10). Flights will be ordered from highest to lowest seed. Throwers in the top one or two flights (as determined by thrower skill) will receive four throws in these respective events (**no finals**). The remaining flights will have two or three throws based on lighting conditions.

(B) **Pole Vault:** As stated above for throwing events, we will make a judgment based on quality of jumpers and total number of entries.

(C) **Steeplechase and 3200/3000 meter runs:** We will limit entries to create one heat of each with a manageable number of runners (we have traditionally capped at 24). Runners with the best seed times will be selected.

- (4) ***All correspondence will be made via e-mail. It is important that your updated e-mail addresses be returned with the registration form.***
