

Cal-Mum Bus and Parking information

BUSES: Enter through Hinsdale Drive (High School entrance) and drop off athletes in the loop. Athletes can walk right along the high school and put tents up between the school and the service road. Buses can go through the bus garage area and follow the service road. They will be parked near the burm at the far north side of the property. We will have a person helping park.

PARKING: Spectators can use any entrance. We will park in the paved lots first, use the area next to the HS parking lot on the grass and then start parking behind the school on the soccer practice fields. We are not using the baseball or softball fields for parking.
