

The following teams had athletes or relays that finished in first place during the Class CC/ Class B Sectional Championship Meet. Each athlete or 4 members of the relay team that won is entitled to a t-shirt provided by the Section. Unfortunately, our effort to distribute the shirts this past weekend was not successful. They will be available on Friday night at the State Qualifier at Cal-Mum. We will make an announcement where those shirts can be picked up. We ask that a coach do so as we will not hand them out to athletes. It would be a good idea if you knew ahead of time what sizes you would like. We can't guarantee that we provide the right sizes, especially as the evening goes on.
