Dear Neighbor,

I wanted to thank many of you for your support over the last decade! At the time, our community united to support our son Daniel in his race for life against melanoma by founding Daniel's Race. Daniel ran alongside us while race proceeds were used to offset medical costs.

Daniel was diagnosed with Stage IV Metastatic Melanoma at 14. After initially being given 9 months to live, Daniel spent two years visiting various hospitals and clinics across the country, including the Golisano Children's Hospital. His legacy has raised melanoma prevention awareness. Daniel's Race has grown exponentially to give over \$50,000 to charities like Hunt of Life Time, Camp Good Days, Golisano Children's Hospital and Make-A-Wish. Once again Daniel's Race welcomes the community that surrounded our family with support to remember him and continue to fight the battle against this deadly disease.

This year we will use proceeds to continue to: raise awareness and education prevention of Melanoma, give back to our local community through Golisano Children's Hospital and support a local family with a child battling a life-threatening illness. For more details on this please follow Daniels Race at www.daniels5k.com

All three sponsorship levels are listed in the chart below. If you need more information or would prefer to donate a different amount without becoming an official sponsor, please visit www.daniels5k.com
