

Dear Neighbor,

Thanks to your faithful partnership with Daniels Race we are celebrating our **15<sup>th</sup> Annual Race** this spring! Each we celebrate our son Daniel's life and dream of serving others. We're asking you to continue to help us realize this dream by sponsoring Daniel's Race, an event we created with the help of friends and family.

At the time, our community united to support our son Daniel in his race for life against melanoma by founding Daniel's Race. Daniel ran alongside us while race proceeds were used to offset medical costs. Sadly, Daniel lost his fight that summer. His legacy has raised melanoma prevention awareness. Daniel's Race has grown since and again welcomes the community that surrounded our family with support to remember him and continues to fight the battle against this deadly disease. Will you join us in our fight?

The financial support we received through Daniel's Race played a significant role in paying for Daniel's treatment and clinical trials not covered by insurance. This year we are partnering with the HemOc unit at Golisano Children's Hospital to finance a scholarship that assists local families in providing treatment to their child facing a life-threatening illness. Past donations have gone to local families and organizations like the Camp Good Days or Make-A-Wish Western New York. In addition, this will be our third year to sponsor a scholarship at CCHS for a graduating Senior in Daniel's memory that a portion of the proceeds goes to as well.

All sponsorship levels are listed below. To receive the promos listed all **donations must be received by March 31, 2020**. This year's race will be held April 18 on the Churchville -Chili campus.
