

For all Sectional track contests at Cal-Mum. Please share this with your coaches.

Session 1 Begins at 9:30. We will be on site at 8:00 am. We will start selling tickets at 8:45 am. Spectators may not stay for session 2.

SEE ATTACHED MAP FOR BUS PARKING, SPECTATOR PARKING, ATHLETE ENTRANCE TO STADIUM, SPECTATOR ENTRANCE TO STADIUM.

BUSES (Please share with transportation. We are not having buses enter like for a football or soccer game, it would be too congested.)

Please have buses enter the High School Driveway, **Hinsdale on map**. (NOT THE STADIUM ENTRANCE) and drop off at the high school doors like they would for a basketball game. Athletes will then carry whatever they have to the tent location on the grass soccer fields to the north of the stadium. Buses will then proceed through the bus parking pen to park near the grass berm at the far north end of the grass soccer fields.

ATHLETES/TENT CITY

Athletes will enter the stadium from the tent city on the grass soccer fields at the north end of the stadium (near the concession stand).

SPECTATORS

2 spectators/athlete will be allowed. Please send your competition roster by Friday morning so that I can print and make available to our supervisors.

All spectators should park in the stadium parking lot and enter at the ticket gate.

ADMISSION \$5.00.

Please make sure to include any coaches attending on your rosters. I do not want to put our ticket sellers or ticket takers in a situation where someone is showing up that is not accounted for. We are allowing 2 spectators/athlete so I am not sure where an unaccounted for coach fits. Bring whatever coaches are on your staff.. just include them on the roster you send please.

MASKS ARE NO LONGER REQUIRED AT OUTDOOR EVENTS.

BUT... If we have a weather issue and need to shelter indoors our school policy is that if the students can not maintain a social distance of 6 feet they need to be masked. We are planning on using the gyms and cafeterias. If your team is assigned an area the students may not be able to social distance.

FOOD AND WATER

We will be selling water, gatorade, and snacks like chips from our concession stand.

WEATHER

You always have the option of putting your team on the bus but we will have the high school gym, the middle school gym, the cafeterias all available to use if we have a weather delay.

AED

The AED is located in the concession stand. There is another one at the middle school entrance.

Athletic Trainer

Section V is providing an athletic trainer. If you are bringing a trainer please include one on your rosters.
