*The meet will be run under the N.Y.S.P.H.S.A.A. rules.

ENTRIES and SEEDING:

- (1) **All athlete entries will be completed on MileSplit.**
- (2) **Scratches will be allowed, but no additions and no re-seeding after scratches.**
- (3) **Notice regarding shot put, discus, steeplechase, and 3200/3000-meter runs.** Submit up to the maximum allowed based on meet enrollment. However, because of time and facility limitations, the following will occur to facilitate meet management:
 - (A) **Shot Put and Discus:** The level of competition will determine the field, with a minimum of **32** (4 flights of 8) and a maximum of **40** (4 flights of 10). Flights will be ordered from highest to lowest seed. Throwers in the top one or two flights (as determined by thrower skill) will receive four throws in these respective events (**no finals**). The remaining flights will have two or three throws based on lighting conditions.
 - (B) **Pole Vault:** As stated above for throwing events, we will make a judgment based on the quality of jumpers and the total number of entries.
 - (C) **Steeplechase and 3200/3000 meter runs:** We will limit entries to create one heat of each with a manageable number of runners (we have traditionally capped at 24). The best seed times will be selected.
