

State Qualifier Entry Procedure

The following procedure is to be used to enter athletes into the State Qualifier meet:

1. Log on to the Yentiming.com web site.
2. Click on the Coach Login.
3. Click on the Meet Entries.
4. Choose State Qualifier.
5. Enter your kids into their events. There will be a pull down spot for relays so that you can list six to eight names for each relay.
6. Deadline for entering online for the State Qualifier is 3:00 pm on the Sunday after the sectional meets.
7. Deadline for making scratches without penalty is 8:00 pm Tuesday prior to the State Qualifier if the entries are posted to our web site Sunday night. If the entries are not posted Sunday night, and are posted Monday morning then the deadline will be 12:00 noon on the Wednesday after the State Qualifier. The deadline is based on when the entries are posted, not when the coach finally looks them up. So, coaches need to do right by their athletes and check the web site starting Sunday evening. Any scratches after that the athlete must scratch from all events including relays.
8. To make scratches email Dave Yendrzski directly at coachyen@gmail.com.
9. Keep checking the web site to see if your athlete gets moved into the State Qualifier as scratches are made through Tuesday.
10. Remember that class champions are automatic into the meet **ONLY IF** their coach enters them.
