Dear Coach,

I heard once that there are not many opportunities to acknowledge the loss of a child. However, every summer we honor our son Daniel's life and dream of serving others. On August 13, 2022, Daniel's Race will celebrate the life of our son with our 17th Annual 5K. We are asking you to help us realize this dream by registering your team for Daniel's Race, a 5K we created with the help of friends/family 17 years ago.

Daniel was diagnosed with Stage IV Metastatic Melanoma at 14. After initially being given 9 months to live, Daniel spent two years visiting various hospitals and clinics across the country, including Golisano Children's Hospital. Many charities reached out to support our family during this difficult time, including Make A Wish of CNY. At the time, our community united to support our son Daniel in his race for life against melanoma by founding Daniel's Race. At the first race, Daniel ran alongside us while race proceeds were used to offset medical costs.

Sadly, Daniel lost his fight that summer. His legacy has raised melanoma prevention awareness. Daniel's Race has grown exponentially and once again welcomes the community that surrounded our family with support to remember him and continue to fight the battle against this deadly disease.

This year we will use proceeds to continue to: raise awareness and education prevention of Melanoma, give back to our local community through Golisano Children's Hospital and support a local family with a child battling a life-threatening illness. We also started a \$2,000 scholarship at Churchville Chili High School. For more details on this please follow Daniels Race at www.daniels5k.com

We encourage you and your student athletes to seek pledges from friends/family members to help us reach our goal. We ask each team to donate a minimum of \$100 in lieu of their registration fees. To register:
