

# Victor Bob Goodell Twilight Invitational Team Areas

Thank you for joining us at our meet. In an abundance of caution, teams will be assigned a specific area in our stands facing the track. We ask that athletes remain in their designated area unless they are warming up, cooling down, or participating in their events. Trash bags will be provided to each team area. Thank you for your understanding!

**When you arrive, please send your team to the designated area shown below.**
