### **Concessions**

The track and field booster club will operate concessions at our stadium and three food trucks will be available. Additionally, merchandise will be for sale.

### **Bathrooms**

*Please announce* to the student athletes that there are over 25 bathrooms at Braves Field and that is the primary location for the bathrooms. The bathrooms are located on the lower level of the field. Port o potties will be located closer to the track. An accessible bathroom is located next to the concession stand.

### **Warm Up Area/ Infield**

Areas will be designated for warming up and for coaches boxes. It is important that we are mindful of these spaces and that we do not have student athletes gathering on the infield. They will be asked to leave. Please make your student athletes aware of this expectation.

**Please reach out if you have any questions - Canandaigua Athletics - 585- 396-3825.**
