**ELIGIBLE ATHLETES FOR COMPETITION.** An athlete may enter only four events. You may enter an athlete in more than one relay, but that person may still compete in four events, and they do count towards one of your six relay names. Do not enter an athlete in the pentathlon plus individual events. This is not an entry form. This form only indicates that your school is verifying that each athlete listed on this sheet has met the state minimum required number of contests participated in to be eligible to enter sectionals. Enter athletes on Yentining.com.
